I understand that this pre-enrollment form signifies my intent to enroll in the above course and that the pre-enrollment form in no way guarantees a spot in the course. Classes without the necessary enrollment may be canceled; I understand that I must attend the first class meeting during the week of January 25, 2016 in order to fully register for the course.

Courses will meet during the second week of the RUSD Spring Break, March 21-25, 2016, and enrolled students will be expected to attend. Crafton Hills Community College Spring Break coincides with the first week of the RUSD Spring Break (March 14 -18, 2016); classes will not be in session during this week. Students only earn college credit for these courses.

**Please submit this form to your high school counselor.** You will then be provided with additional information about registering for the CHCC courses. Enrollment in the CHCC courses is determined by the order in which pre-enrollment forms are received; when the class maximum size is reached, a waiting list will be created.
