(Please submit hard copies only.) Our experienced Senior Ad staff will work with you to materialize desired layout ideas. See any recent RHS yearbook for examples. All ads remain confidential and **materials will be returned at the end of the school year by Thursday, June 2nd.**

Note: Creating a senior ad is a great time to pull out the old pictures and, but please remember that the more pictures and text there are, the smaller everything will be. Therefore, try to minimize the number of photos and text so that your son/daughter's page is attractive as possible. Also, we would appreciate pictures that are not dark or unclear. We do not have the ability to make a bad picture look good. **Copyrighted material will not be accepted!**

*** To contact the Makio Senior Ad staff please call us at 307-5500 ext. 30355 between 12:30 and 1:20, and ask for a senior ad staff member. First com, first served! Buy early before they sell out!

When you come to your appts., your money and pictures are due on the same day! All pictures must be in accordance with school policies.

Senior Picture Information

As our final year approaches, we must prepare ourselves for the many senior responsibilities. One such responsibility is taking our senior picture. With so many seniors, Makio suggests that you make your senior appointments **early (August-October)**. We recommend Stacy Knox Photography, Stephany Fashempour Photography, Steve Wormser, Photography, Marie Bunke Photography, JSP Studios and Adair Photography for quality photographs.

When you choose you portrait for the yearbook the studio will turn it in to the adviser. They have their own deadlines.

*All photos must be **wallet size (2"x3")*** and **IN COLOR**. We will not be able to include your photo if it is too large or too small. Please submit a **head/shoulder close-up shot with a plain background and NO PROPS**. Remember RHS dress code still applies, so please dress appropriately. Once you get your picture, write your name on the back, as you would like it to appear in the yearbook. **If you take your picture anywhere else other than the recommended photographers in town, you will need to turn in your picture to room 54, at lunch, no later than Thurs., Nov. 17 unless you have made arraignments with the recommended photographers above.** Pictures not turned in on time risk not being included. Listen to the bulletin for additional instructions.
